

Welcome to Formative Assessments and Technology!

Our learning targets today:

1. Staff will learn how “Plickers” is a quick, free, and easy formative assessment.
 - i. Participants will sign up for a free plickers account.
 - ii. Participants will see how plickers work using a smart phone and computer
2. Staff will learning about “Quizstar” - a free assessment website
 - i. Participants will sign up for a free quizstar account.
3. Staff will be introduced to PollEverywhere - no account needed for students.

Today's resource website is www.brallier.weebly.com

While waiting to begin - please go to www.quizstar.4teachers.org and register as a teacher. Click on the “get started” tab to begin.

Once you have registered, log off and then proceed to the “Student Login Page” to sign in with the username and password that is highlighted on the sheet you were given.

Notes:
